Cabernet Sauvignon is renowned for having no mid palate. It is the most iconic 'world' variety that is like the perfect marriage with classic blends such as Merlot, Cabernet Franc, Petit Verdot and Malbec.

Cabernet Sauvignon provides aroma and intensity, tannin backbone and structure.

Merlot gives a more rounded texture with softness.

Cabernet Franc refines the structure and adds spice.

Petit Verdot enhances the expression of colour.

Malbec, although increasingly rare in the making of 'Bordeaux' styles, adds colour, tannins and plummy flavours.

Most common aging is between 5-10 years; however, the finest of produced Cabernet Blends can evolve over decades.
