

Coravin

To experience greatness in the wine world, frequently means opening a whole bottle and needing to consume that bottle in that seating.

Frequently we want to share these experiences with our closest friends who will really appreciate the blood, sweat and determination put in to create, what you could call, a piece of history.

The Coravin is a ground breaking mechanism which allows people to experience life's treasures without removing the cork. A surgical needle penetrates the cork to extract those special wines and then the cork naturally reseals the bottle.

Chablis **La Manufacture** 2014 **Chablis** AOC Chardonnay 28/125

Bright pale colour with some greenish hints. Typical nose of lemon with a slight mineral touch. Vigorous and tensed mouth with a deep intensity and clear aromas. A typical Chablis to be drunk on its freshness.

Bordeaux **Château Citran** 2005 **Haut-Médoc** Cabernet Sauvignon, Merlot 32/155

Beautiful black colour with ruby rims. The nose is expressive. The bouquet is marked by smells of mature black fruits (blackberry, blackcurrant) supported by slight notes of toasted bread. The palate is well balanced with a very beautiful structure. It is marked by a good entry with volume. The black fruits and the tannins are well developed and there is a great richness in the middle of the palate.

Bordeaux **Château du Tailhas** 2010 **Pomerol** Merlot, Cabernet Sauvignon, Cabernet Franc 32/155

Very dense colour, the nose is intense of crushed strawberries, raspberries, dark chocolate, roast herbs. On the palate plump, concentrated and rich. The finish is a real cocktail of red fruit, cocoa and roast spices. A good, long, lingering finish.

Barossa Valley **Antiquarian** 2013 **Barossa** Shiraz 30/135

Deep crimson red showing brick edges. Bright aromatics of spiced Damson plum seasoned with dark chocolate and liquorice. Layers of nutmeg and dark fruits, evened by the careful use of French oak. With intense and impactful dark fruit flavours, the full bodied palate is influenced by subtle and judicious oak attention. The rich and mellow tannins provide a rewarding finish to a wine of great poise and refinement.

Culturally accepted, but not insensitive

At No35, the last few bottles in our cellar are a mixture of carefully selected gems that will develop with time, Along with wines that we can no longer attain. This is not a negative on the wines themselves, But a testament to the heritage and history of each of these excellent producers.
